Programme Structure

Q4 2023

Executive Training on Organisational Well-Being

Day 1: Understand and Build Awareness of Workplace Well-being

- What are the social factors in ESG?
- How does organisational well-being influence employee productivity, organisational resiliency, corporate reputation, and stakeholders' trust?

Day 2: Develop and Implement Comprehensive and Effective Top-down and Bottom-up Strategies for Well-being and Recovery

- What are the relevant considerations of corporate well-being at the leadership level in the private and public sector?
- How to champion corporate well-being at the leadership level to support your people?

Q4 2023

Leadership Coaching & Development Programme

Day 1: Transition from an Individual Contributor to a Collaborative Team Leader

- Building trust with your team as the cornerstone to accountability and ownership
- Delivering feedback to your team effectively
- Holding difficult and courageous conversations with the team

Day 2: Leading your Team from Good to Great

- Inspiring teams through strategy and vision
- Developing a thriving team/corporate culture
- Maintaining an engaging and productive workforce

Q4 2023

Collaborative Leadership: Create A Cohesive Growth Culture

Day 1: Team Spirit – Step by Step Guide to Foster Collaboration

- How to conduct a team profile analysis of your current team?
- How to work with team members of different personalities, cultural backgrounds, strengths and weaknesses at work?

Day 2: Strategic Leadership – Steering Towards Common Goals

- How to use a structured framework for effective inter- and intra-team engagement across a project cycle?
- How to break down silos and foster collaboration?
- How to consistently encourage and maintain team collaboration?
