The hallmark of a great leader is the ability to lead and inspire others to reach greater heights. Becoming a successful leader is one of the most rewarding yet challenging goals for professionals who have transitioned from an individual contributor to a team leader.

The Leadership and People Management programme explores essential leadership functions relevant to self, people and organisation, in terms of managing changes in a challenging and rapidly evolving business environment, communicating effectively, and developing talents. This dedicated programme for leaders and high potential leaders will enhance their ability to manage with confidence for personal and organisational success.

**ABOUT THE PROGRAMME**

The hallmark of a great leader is the ability to lead and inspire others to reach greater heights. Becoming a successful leader is one of the most rewarding yet challenging goals for professionals who have transitioned from an individual contributor to a team leader.

The Leadership and People Management programme explores essential leadership functions relevant to self, people and organisation, in terms of managing changes in a challenging and rapidly evolving business environment, communicating effectively, and developing talents. This dedicated programme for leaders and high potential leaders will enhance their ability to manage with confidence for personal and organisational success.
